

Every four years local residents elect East Herts Council's 50 councillors. The most recent elections were in May this year and the council now has 41 Conservatives, five Liberal Democrats and four Independents.

Each of the councillors represents the interests of a particular ward on behalf of the people who live there. That's why they were elected, so if you have an issue of concern in your ward, they should be your first point of contact.

The Executive is charged with the overall political direction of the council, providing clear and accountable leadership and recommending policies to the council. The Executive comprises seven members including the leader of the council. They are:
