NOTES

These costs are all gross and not net of any income received.

The information you require is not in a format that the council is able to identify before 2011/12 except for the hostel.

B&B

The B&B invoices the council on a regular basis for each individual applicant's stay however the costs are not invoiced on a monthly basis so the council are unable to provide monthly expenditure.

Hotel

The council currently only uses one B&B establishment and therefore all costs are associated with one establishment.

Hostel

The council is unable to provide costs for Apr to July 2015 as the internal recharge costs, insurances and divisional costs of managing the accommodation are apportioned annually. The information is not available monthly as costs a number of costs are attributed to the hostel 's expenditure code once at the end of the year.
