## STATEMENT OF REASONS

### THE HERTFORDSHIRE (A1250 HADHAM ROAD, BISHOP'S STORTFORD) (30 MPH SPEED LIMIT) ORDER 2017

Hertfordshire County Council is proposing to improve road safety by extending the existing 30 mph speed limit in Hadham Road, Bishop's Stortford.

The proposals will comprise of –

- Extending the existing '30 mph speed limit' on the A1250 Hadham Road, westwards towards the A120.

A 40 metre extension of the 30 mph limit is being considered as a result of the introduction of a new roundabout and crossing point to serve as accesses for vehicular and non-vehicular traffic for a new residential development. The extension of the speed limit will ensure speed reduction of vehicular traffic before it reaches the proposed crossing point and enters the proposed roundabout. This will improve road safety, especially for vulnerable users. This has been proposed to ensure that the development does not adversely affect the safety and operation of the adjoining highway network.

Therefore, it appears to the Highway Authority that it is necessary and expedient to make the Order in the interests of; avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising.

The proposal has been subject to consultation with local and County Councillors representing the area and East Herts District Council. The local Police, Ambulance, Fire and Rescue Services, Hertfordshire County Council Passenger Transport Unit and Cycling Club have also been consulted.
