3rd February 2014

Dear Kevin

Town and Country Planning Act 1990
The Neighbourhood Planning (General) Regulations 2012
Designation of Neighbourhood Area

I am writing to request the designation of a neighbourhood area under Section 61 of the above Act.

The application is made by Buntingford Town Council, which has agreed 26th September 2013 to be the lead or named relevant body in taking forward this Neighbourhood Development Plan.

Section 61F (2) of the Localism Act allows for Neighbourhood Plan areas to be designated which contain areas of other parishes with those parishes' consent. This consent has been given by all 7 parishes to be included within the Buntingford Community Area Neighbourhood Plan. Copies of the signed consent forms are included in Appendix 1.

Having considered options for the neighbourhood area, Buntingford Town Council and the adjoining parishes of Buckland, Cottered, Aspenden, Wyddial and Hormead would like their entire parish areas to be designated. These parishes have been involved in the definition of the Neighbourhood Plan Area and a series of public consultations have taken place.

Please find attached a map of the proposed area.

Yours sincerely

pp

Mrs Jill Jones MILCM, CertHe
Town Clerk

Statement

The proposed Buntingford Area Community Neighbourhood Plan area comprises 7 parishes who have come together to participate in a Neighbourhood Development Plan making process.

There are a number of stakeholders in the project including local schools, a chamber of commerce, public services and local relevant organisations. These together with the relevant parish representatives have formed a Neighbourhood Plan Forum.

The Buntingford Community Area Neighbourhood Plan area is the natural hinterland of Buntingford, one of the five towns in the East Hertfordshire District.

There is development pressure across the majority of parishes in the proposed Neighbourhood Plan Area and the Neighbourhood Plan making process provides an opportunity to manage those pressures in such a way as to maintain the quality of life whilst recognising the need to be part of the country's growth.

Our mission statement for the plan making process is:

"The purpose of the Neighbourhood Plan is to preserve and enhance the quality of life, environmental attributes, economic growth of the neighbourhood, and ensure the infrastructure is in place to create a sustainable community for future generations through the empowerment of local people."

We plan to work closely with the local planning authority to achieve this mission statement and enable the active participation of stakeholders in the consideration of the wider requirements of the emerging Local Plan to be produced by East Herts District Council.

It will be necessary to involve many areas of the community in identifying specific issues and preferences. These will then be considered to reach a consensus on neighbourhood plan policies that can address the needs and wishes of the local community and provide a distinctive local perspective to the way planning decisions are taken.

The overriding issue is that individual aspects must not be considered in isolation but need to be part of an overarching plan covering a wide number of agreed and achievable aims.

To achieve the Mission Statement requires active participation by the stakeholders in the consideration of the wider requirements as well as conforming to the aims of the Local Plan as to be produced by East Herts District Council.

It will be necessary to involve many areas of the community in identifying specific issues and preferences. These must then be considered in a rational and, as far as possible, dispassionate manner to reach a consensus.

229. TO INVITE HERTS POLICE TO ADDRESS THE MEETING.

Sgt Wallace reported that during the two month period since the last Council meeting there had been 29 reported incidents. Of these six are detected and 3 non-crime. One of the incidents was a dwelling burglary off Luynes Rise. One significant incident received media attention and four persons have been arrested and charged for theft. The incident figures are down from 33 for the same period the previous year.

Local Police were involved in the Classic Car Day, which went well from a Police perspective and also attended the Rural Parish Conference in Tewin.

PCSO Adam Frame has now become a Police Constable which means there is one PCSO less but there will be recruitment in October, although it is not clear at this point if East Herts will benefit. Currently the focus is on preparation for Halloween and Bonfire Night.

In response to a question from Councillor Cook, Sgt. Wallace stated that the areas that have been fitted with CCTV will benefit from it.

Councillor Bull reported that he had attended a Scrutiny meeting at East Herts Council where David Lloyd had been present. It is unclear how much funding is to be provided for PCSO's but District Councillors had made it clear that we need PCSO's.

Councillor Bonner congratulated Adam Frame on his appointment.

Following a proposal, second and a unanimous vote the report of the meeting was adopted.

There followed a proposal and second to resolve the recommendations contained within the Resources Minutes.

Councillor Mrs Lemay stated that this is the last move in a long line of considerations for the car park. Members have received the report saying let's get it done. There are four recommendations that may need alterations.

As it states in the report, we have asked what the New Homes Bonus should be spent on, this project was on the list, it will revitalise the High Street.

Councillor Bull stated that this will not look after the residents, we are pushing for seven spaces in the High Street and this is what the residents want.

Councillor Mrs Bonner stated that she had listened to the arguments and can see both sides. Councillor Mrs Bonner further stated that she thought parking should remain free on a Saturday and felt that something should be done about the Traffic Wardens not being very lenient.

Following a proposal, second and a recorded vote of 8 in favour (DL,JL,TB,GB, JC,RC,GW,JN) and 2 against (SB,EW) it was

RESOLVED

That the proposal be amended from Monday to Saturday to Monday to Friday.

- **That this Council agrees one-off costs such as amendments to the Traffic Regulation Order and signage, up to a maximum of £2,500.**
- **That this Council reviews the new charging after one year and, if the decision is made not to continue with it, agrees any one-off costs needed to return the car park to the current charging system.**

Councillor Mrs Lemay requested that this be actioned as soon as possible to give the traders the opportunity to have as much time as possible before Christmas.

236. TO RECEIVE AND CONSIDER THE MINUTES OF THE MEETINGS OF THE PLANNING COMMITTEE HELD ON 25TH JULY 2013, 8TH AUGUST 2013 AND 12TH SEPTEMBER 2013.

Following a proposal, second and a unanimous vote the reports of the meetings were adopted.

237. TO RECEIVE A REPORT FROM THE DISTRICT COUNCILLOR.

Councillor Bull stated that it had been pleasing to see the support from the residents at the Development Management Committee meeting when the North of Hare Street Road applications had been considered. He assured those present that he and Councillor Jones will continue to fight the proposals.

Councillor Jones reported that he and Councillor Bull had met with Helen Loughran to discuss the possibility of redeveloping the Freman Pool for a Leisure Centre, she had been 100% supportive of the

idea. Mrs Loughran had confirmed there will be community use of the new sports hall outside of school hours.

A complaint had been received about the temperature of the showers at the Freman Pool, this had been due to technical problems which are being addressed.

The Chairman congratulated the Clerk on the good result.

240. TO DISCUSS AND AGREE PREOCEDURES FOR ARRANGING THE TOWN COUNCIL CIVIC SERVICE.

Councillors considered whether the Council should hold a Civic Service, how often and whether or not it should be at the discretion of the Mayor in office.

A provisional date of the 3rd November 2013 has been agreed with Reverend Hill

It was also considered whether the service should be held on a Sunday morning rather than a Sunday afternoon.

Following much discussion and following a proposal, second and a vote of 8 in favour, 1 against and 1 abstention it was

RESOLVED

That the Council will continue to have annual Civic Services and the 2013 Civic Service will be held at 3pm this year.

It was agreed to discuss the timings for future years.

13.95 Neighbourhood Plan with Buntingford

The updated Buntingford Neighbourhood Plan reports had been circulated. Concern was expressed about the effect on the Cottered & Throcking parish. Noted that a new development of 180 houses plus sheltered housing and ancillary support had been submitted. This development was between the A10 Buntingford bypass and the old A10 and therefore within Cottered & Throcking parish boundaries.

Resolved to suspend standing orders and open the meeting to the public⁴⁷⁷

After a wide-ranging discussion the consensus was that Cottered & Throcking would be better to join with Buntingford as agreed at the recent public meeting. 3 volunteers (with 3 backups) at least required from the parish to sit on the Buntingford Forum. Several names were suggested. Buntingford to be formally notified by 12 November (Chairman will do at the 12 November Forum meeting). JH-B will draft letter/notice requesting stakeholder volunteers to be put on the website and in the Gazette. Noted that eventually the neighbourhood plan will have to be approved by a referendum.

Adjournment for public comments

At 9.20pm it was **RESOLVED that the meeting be suspended to allow public comments concerning the Council's decision.**

The Clerk provided a resume of Wednesday evening's public meeting, detailing the result of the vote taken by members of the public. The vote asked the Parish Council to agree to its decision. The Council therefore considered its response to the overwhelming majority who voted in favour of Hormead producing a Neighbourhood Plan, and the meeting's request to the Parish Council to agree to join with Buntingford in producing that Plan.

Following a discussion it was **RESOLVED by 3:1 to agree to produce a Neighbourhood Plan.** Cllr Kilby requested his objection be recorded.

Following further discussion it was **RESOLVED by 3:1 to agree to the request to join with Buntingford to produce the Neighbourhood Plan.** Cllr Kilby requested his objection be recorded.

James Bruxner, with some public show of approval, had requested at the conclusion of Wednesday's meeting that the Council form a committee under the chairmanship of Edward Fremantle.

The Clerk explained that the formation of a Working Party would be more appropriate than a committee. Committees are extensions of the Parish Council and therefore bound by the same statutory regulations. That could stifle, for example, the calling of meetings, informal discussions, and the involvement of as many members of the public as possible. Terms of Reference should be drawn up by the Parish Council to set out the Working Party's powers and how it would function.

James Bruxner repeated his proposal of the previous evening that Edward Fremantle, with his experience and expertise in the subject, chair the Working Party. He pointed out that this would relieve the PC of much of the burden of the complexities of the project whilst not having delegated decision-making powers. Rather he envisaged the WP bringing recommendations, via its Council members, to the Council for consideration. The Clerk said he would draw up Terms of Reference for agreement by the Parish Council at its next meeting on 17th October. The Council agreed this was the way forward. Cllr Ginn asked to be added to the list of volunteers in the Working Party.

The Parish Council Meeting resumed at 9.54pm.
